You will be logged in automatically after registration

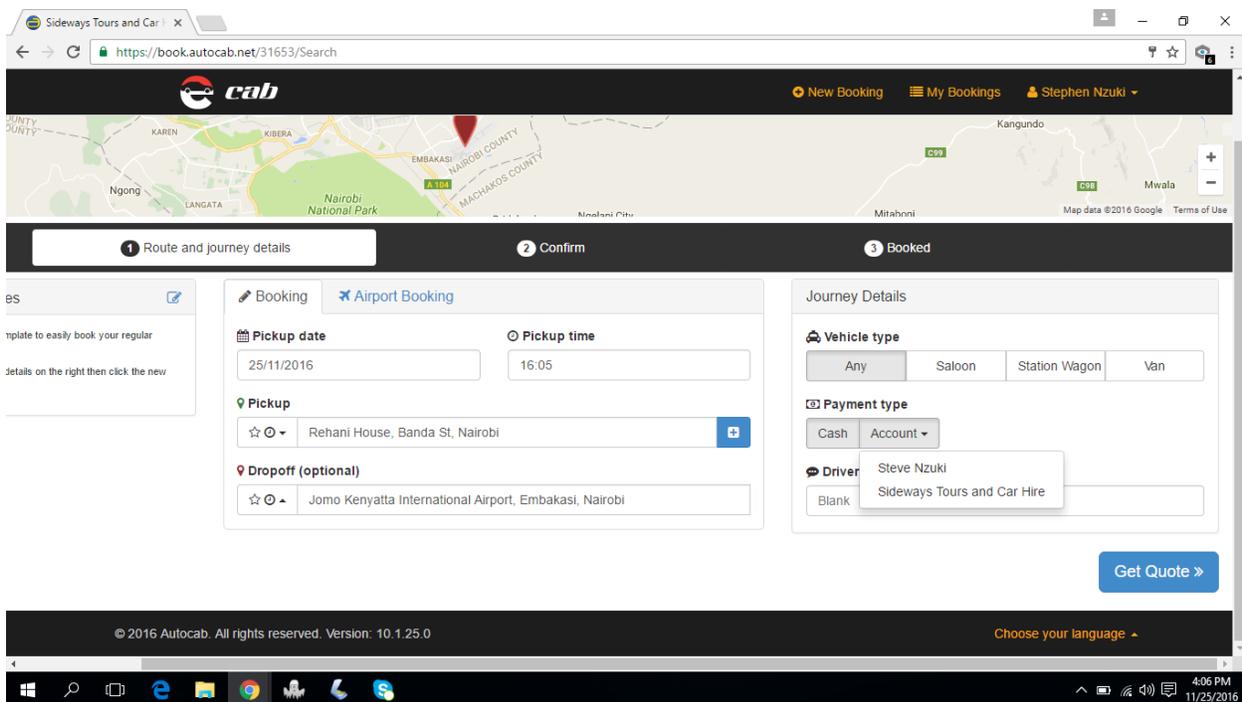

To book a taxi you click **Pickup** and begin typing the place you want to be picked up from. The system will begin generating a list with the letters typed. You click on your preferred pickup point.

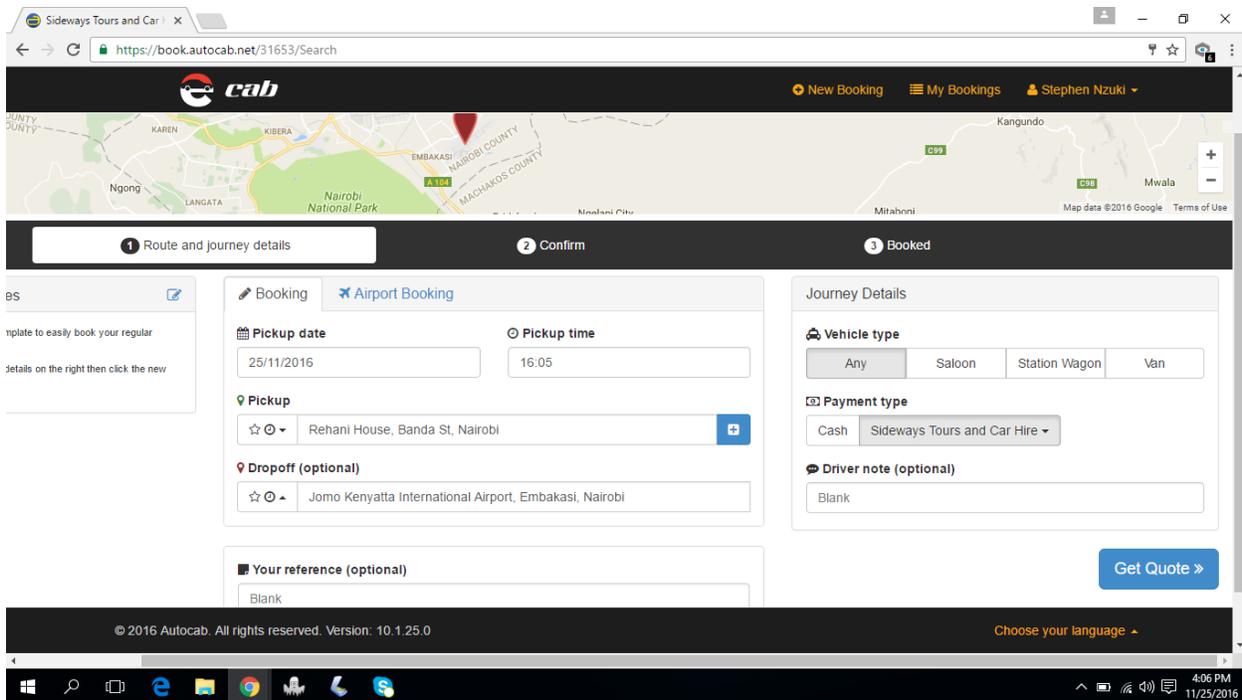

Then you click on **Drop off** and begin typing your destination and choose the location.

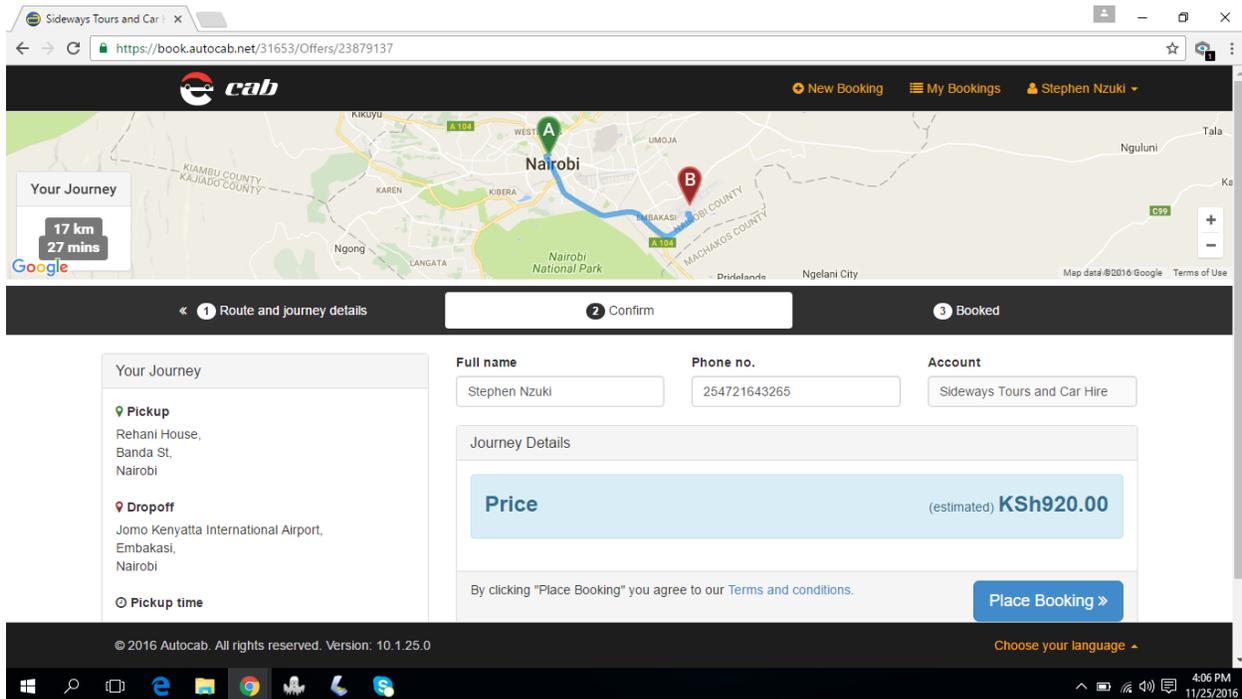

Select **Payment Type**. Choose whether the trip will be paid **Cash** or **Account (bill the company)**

For corporate trips you click **Account**. Then select the account to be billed. See below

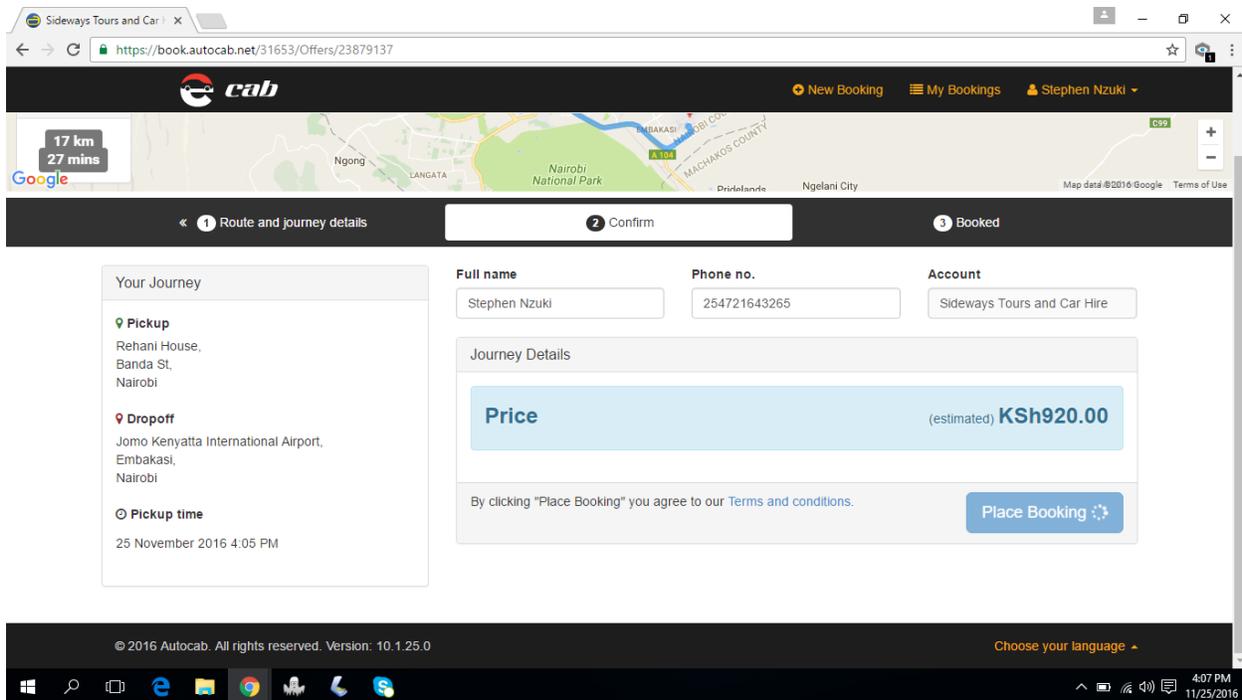

Once you select the payment method you click on **Get Quote**

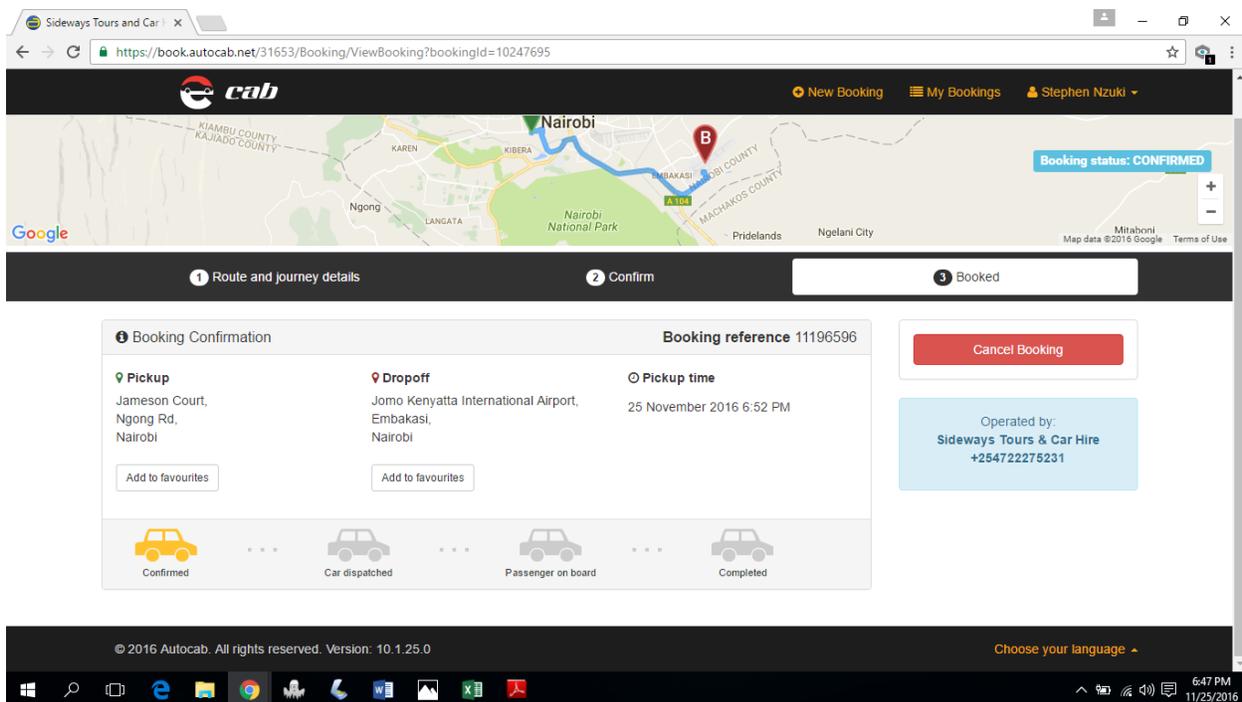

You will receive a price quote of how much you will be charged.

Note: If you are making a booking for someone else from your account, you change your details above the Journey details. Change **Full name** to the names of the person travelling. **Phone No.** you put for the person travelling so that they can receive the notification messages on the progress of the booking.

Then you click on **Place Booking** to finish booking.

When the booking is placed you will get a notification via SMS that your taxi has been booked. On the web you will see the vehicle icon turn yellow to signify booking has been confirmed.
